

## Waiver of Fundraising Duties

In lieu of participating in the required fundraising activities of Somerville Youth Hockey, I have elected to pay the \$150.00 waiver fee for the \_\_\_\_\_ Season. This fee must be paid in full at time of registration or no later than Sept. 15 of the playing year. The enrolled player, will not be required to participate in any of up to three (3) canning dates to fundraise or other fundraising activities unless by choice. This waiver is applied only to fundraising duties and has no impact on tuition fees or additional costs associated with the organization (tournaments, etc).

By signing this form I acknowledge this fee is non-refundable even if the player leaves the organization and/or chooses to participate in any of the canning dates.
